

Wood-Fired Bagel Cafe

1538 12th Avenue, Seattle WA 98122

by Gaby Weidling

"People often avoid making decisions out of fear of making a mistake," writes Rabbi Noah Weinberg in 48 Ways to Wisdom. "Actually, the failure to make decisions is one of life's biggest mistakes." Many great discoveries occurred by accident, with the discoverer willing to make errors. For example, Rogaine was found in the search for a blood-pressure drug. Can you learn what else was invented by mistake?
