# Crosswords of Wisdom

No. 67

## This Week's Wisdom: DON'T GIVE IN TO FEAR

by Mike Selinker

"The words 'hope, not fear' still resonate within me," says the author Edgar M. Bronfman. "We must look to the future with hope. Even if we can't finish the task within our lifetime, neither can we shirk from giving it our all." In this puzzle, we dutifully follow Bronfman's sage words to the letter.
