

Wood-Fired Bagel Cafe

1538 12th Avenue, Seattle WA 98122

by Debbie Manber Kupfer

This year, we're celebrating something that won't happen again for another 79,043 years: the convergence of Hanukkah and Thanksgiving. Since both are family gatherings with lots of tasty food, we decided to hypothesize what the menu for this rare event would look like. For example, cranberry-sauce stuffed donuts sound pretty good to us. Come to the counter and tell us which **Thanksgivukkah** dish is your favorite, and we'll give you a holiday treat.
